Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Waverly High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Tony Terranova for assistance.

The AER is available for you to review electronically by visiting the following website: [MISCHOODATA](#) or you may review a copy in the main office at our school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. **Our school was identified as having not been given one of these labels.**

Process to Assign Pupils to the School:

Our school is a public school and pupils attending live within the district boundaries or are enrolled through the school-of-choice program.

School Improvement Plan:

Waverly High School's School Improvement Plan is updated annually and seeks to increase student achievement in the core content areas. Enhanced instructional strategies, methods to produce a climate of achievement, and the implementation of technology are the cornerstones for achieving those goals. Focus is also on equity/inclusion, GREAT Instruction, and positive staff/student relationships.

School Curriculum:

The WHS Program of Studies, which outlines the curriculum and course offerings, is available on the school's website: www.waverlyhighschool.net WHS requires students to meet all of the Michigan Merit Curriculum requirements and to exceed those expectations by earning 4 additional credits. The core curriculum follows Michigan State Standards. For access to specific materials or curricula, please contact Director of Teaching and Learning Chris Huff at 517-319-3030.

SAT Test Scores:

The SAT is a standardized college admissions test developed by the College Board. The State of Michigan requires all 11th grade students to take the test.

Year	SAT Mean Score
2022	893.9
2023	884

NWEA Results:

Students in Waverly Community Schools in grades 2 through 10 take the NWEA MAP Growth assessments, which measure what students know and inform what they are ready to learn next. The tests reveal how much growth has occurred between testing events and, when combined with national norms, show projected proficiency. Educators can track growth through the school year and over multiple years.

Waverly High School is proud to be among the most diverse schools in the state of Michigan. As such, WHS students have the opportunity to engage in deep cultural experiences that are unique to our school. These experiences complement the education in the classroom and prepares students for success in the modern global society. Whether students will enroll in a college or university or seek employment after high school, WHS is a leader in preparing students for all aspects of the post-secondary society in which they will be expected to contribute.

Sincerely,

Tony Terranova, Principal
