

2013-2014 School Annual Education Report (AER) Cover Letter

August 15, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Waverly East Intermediate. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Vickie Tisdale for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.waverlycommunityschools.net> or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a Focus School.

Our school was identified as a Focus School because of the gap in MEAP scores between our general education sub group and our special education sub group. This gap is being addressed in many ways. Some examples of strategies we are implementing include increased opportunities for exposure to core curriculum in the general education setting for our special education students, increased intervention opportunities for our special education students, and review and alteration of testing accommodations if necessary to promote student success for our special education students.

All 5th and 6th grade students from Waverly Community Schools attend Waverly East. We also accept Schools of Choice and Tuition students at East based upon available space in each grade level. To read our most recent School Improvement Report, please visit our district website: <http://www.waverlycommunityschools.net>. Our School Improvement goals are reviewed and refined annually. Waverly East's 2013-2014 current School Improvement Plan includes a reading goal, a math goal, and writing goal. Reports

regarding the implementation of these goals are presented throughout the year at our Parent Teacher Organization meetings.

Waverly East serves approximately 410 fifth and sixth grade students for Waverly Community Schools. We are located on St. Joe, just east of Waverly Rd. in Lansing Twp. Our community of learners is diverse in income, educational background, and culture. Our highly qualified staff is dedicated to promoting the educational, social, and emotional growth of each student who walks through our doors each day. Waverly East prides itself in providing an age appropriate experience for our students, effectively bridging the gap between the elementary and middle school buildings. We support the success of our students with dignity and care, and stress the unique worth of each individual and the acceptance and appreciation of differences. We emphasize cooperation, building good character, and a commitment toward the larger community. We establish positive and frequent home-school interactions.

We are very proud of our parent participation rate – over 92% of our parents attend parent teacher conferences each year. We welcome parent volunteers both during the day and after school for activities. We also have a very active PTO. This parent organization sponsors our field trips, book fairs annually, as well as taking an active role in after school events such as Open House and Academic Recognition nights.

Student achievement data can be found at the following link :
<https://www.michooldata.org>.

In partnership with families and with our community, the entire staff at Waverly East is committed to assisting each student in achieving her or his academic best. I would like to congratulate our students, staff, and families for their continued support.

Sincerely,

Vickie Tisdale
Principal, Waverly East intermediate
