of the  
*Waverly Community Schools*

August 12, 2014

Dear Parents and Community Members,

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Elmwood Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Tim Lyman, Principal for assistance.

The AER is available for you to review by visiting the following website:

<http://elmwoodelementary.net/cms/One.aspx?portalId=5538545&pageId=5891332> or you may view a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. Our school has not been given one of these labels.

State law requires that we also report additional information.

Elmwood Elementary students are drawn from our identified boundary area within the Waverly Community Schools. We also accept school of choice students who are assigned to Elmwood based on the available space in each grade level.

To read our most recent School Improvement report, please visit this website

[http://elmwoodelementary.net/UserFiles/Servers/Server\\_5538461/File/Elmwood%20School%20Improvement 2011 2012.pdf](http://elmwoodelementary.net/UserFiles/Servers/Server_5538461/File/Elmwood%20School%20Improvement%202011%202012.pdf). We have four school improvement goals in our plan: a reading goal, a writing goal, a science goal and a math goal. These goals are worked on throughout the school year and revised and reviewed at least annually. Our PTO is given regular reports on goal progress throughout the school year.

Elmwood Elementary is a medium sized building housing approximately 350 first through fourth grade students. We are located on Elmwood Road near Sharp Park. Our community is diverse in income and educational background. We celebrate and embrace the depth of our diversity. Our staff is a strong group of highly trained professionals that is dedicated to excellence. Elmwood prides itself in creating a climate of academic and social excellence.

Elmwood's grade level curriculum is based on the Common Core Standards. You may access this curriculum at the following website:

[http://www.waverlycommunityschools.net/administration/curriculum\\_instruction/common\\_core\\_state\\_standards/](http://www.waverlycommunityschools.net/administration/curriculum_instruction/common_core_state_standards/). Each first through fourth grade teacher works collaboratively in teams to build common units of instruction which provides consistency in the delivery of instruction.

Parents are a critical part of our success and they are welcome to volunteer in a variety of ways. Our PTO is very active and sponsors a number of special events and activities throughout the school year. Parents who are interested in volunteering must complete the proper paperwork and contact the main office, respond to requests in classroom newsletters or sign up for a specific event at our annual open-house. Parent participation was high at our parent teacher conferences with 97% attendance at both the fall and spring conferences. The remaining three percent were contacted via phone or letter.

Student achievement data can be found at the following link <https://mischooldata.org>.

I would like to congratulate our staff, students, parents and community for their continued hard work and support. Elmwood continues to be a great place for all who enter to learn and grow.

Sincerely,

A handwritten signature in cursive script, appearing to read "Timothy Lyman".

Mr. Timothy Lyman, Principal
