DEAR WAVERLY STUDENT CENTER FAMILIES :

All of our students are back in person and they seem to be doing GREAT! Mrs. Lacey and Mr. Greg have had to get used to a very quiet building in the mornings. It's hard to believe that we are at this point more then a year later. With only 5(ish) weeks left in the school year, we are looking to finish off strong!

As the school year comes to an end, don't forget to signup for Waverly Student Centers Summer Camp program. Paperwork can be picked up at Student Center or can be found online at www.waverlycommunityschools.net under the childcare section. Many great activities are being planned along with some great local field trips. We are sooo looking forward to field trips again! If you would like to signup, summer enrollment paperwork is due no later than 5:30pm on Friday May 7th. By this time all paperwork, enrollment fees and activity fees must be paid in full in order to be guaranteed a spot. All paperwork turned in after this point will be placed on a waiting list.

Lastly, we are so fortunate to have such a fantastic team of administrators and board members that have worked super hard to keep the Waverly Community families safe this school year. Thank you Waverly Administration Team!

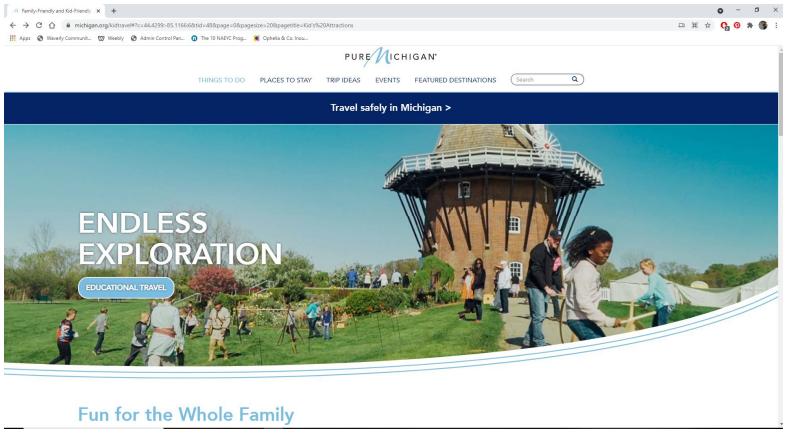
KINDERGARTEN-1ST GRADE TEACHER

Waverly Student Center has hired a new teacher to work within our kindergarten– 1st grade classroom. She will be training to become the new lead teacher within the classroom the beginning of next school year. We are looking forward to having her on our team. Join us in welcoming Ms. Kathy to our team if you see her when picking up or dropping off your child.

PARENT RESOURCES



Summer is soon approaching as we are entering the month of May. Check out the link below for some fun things to do for the whole family in your own back-yard.
