Schools are required to provide a list of scheduled drill days for each school building, to their local emergency manager, not later than September 15 of each school year. Buildings are also required to post their drill schedule on the district website.

If a scheduled drill is not conducted on the prescheduled drill day, due to conditions not within the control of school authorities, the drill **MUST** be rescheduled within 10 days after the scheduled date of the canceled drill. Building principal must notify local emergency management of the rescheduled date.

Fire Drills: 5 required (three on or before December 1, two after December 1)

Tornado Drills: 2 required (one in March, one between August and June)

Code Red Drills: 3 required (one on or before December 1, and after January 1, one between August and June. One of the three must be conducted during lunch or recess or when significant numbers of students are gathered but not in class.
