

Waverly Community Schools Educational Benefits Information

Waverly Community Schools
July 15, 2026

Dear Parents and Guardians:

Please complete the form and return it to your student's school. The Education Benefits Form collects information needed to make sure the school receives state and federal money for education programs. **Without this info, Waverly Community Schools could lose vital money for school programs that our students need.** These programs offer support and services for our students including, but not limited to:

- Teaching staff (ex. reading tutors, math tutors, academic & behavior aids)
- Teaching supplies
- Counselors and social workers
- School nurses
- Training for staff
- Parent and community engagement supplies and events
- Chromebooks and iPads

Online: <https://waverly.familyportal.cloud>

Why does Waverly Community Schools need my info? Data on the Education Benefits Form determines the eligibility of a student. The total number of eligible students is used to determine how much money will be provided to your school. The more forms collected the better.

What do I need to do? Please complete the attached form and return it to your child's school.

Will this form be secure? Yes.

What else is my student eligible for? Based on the information you gave on your Education Benefits Form, your child may qualify for other programs such as:

- Pay to play
- Food support
- Field trip support
- School supplies or reduced school fees
- Holiday support
- Cable and internet support

You must complete the **Sharing Information with Other Programs form**, on schools website, to grant consent for your eligibility information to be shared.

If you have any questions, please contact Linda Vainner at 517-323-4782.

Sincerely,
Glenn Mitchum

Superintendent
