# Request for Special Permission to Participate in Transportation for pupils residing outside the attendance area where enrolled **2022-23**

The following application is to be completed for an In-District or Out-of-District pupil who is **requesting** school bus transportation but who is not eligible to ride because their residence is outside the attendance area of the school to which the pupil is enrolled. Such requests may be considered if: (1) THERE IS LEGAL RATED CAPACITY on the assigned school bus, and; (2) THE PARENT/LEGAL GUARDIAN ACCEPTS STUDENT ASSIGNMENT TO A CURRENT EXISTING BUS STOP within the District/school specific boundary. At the beginning of the school year, the decision to approve or deny this request will be made after the **third full week** of school. School bus transportation will not be provided prior to approval of this request and the parent/legal guardian is notified.
